Job Placement title

Food Packaging and packers

## Job Placement summary

### The role

A packer is responsible for preparing and packing products for storage, transport and sale:

- Performing sample quality control checks on packed products and recording data in quality reports, which help to ensure production efficiency and quality targets are being met.
- Pick products from the warehouse.
- Performing packing operations in accordance with time, quality and quantity targets
- Loading packing machines with packing materials (e.g. cans, boxes, bags, containers, wrapping etc)
- Supervising the packing process and monitoring individual machines
- Controlling the quality of packaged items
- Performing adjustments on machines where necessary
- Reporting any maintenance or repair requirements on assigned machines

**About us:** SACOMA GLOBAL Foods Innovation is a multifaceted UK healthy foods business with focus on natural and innovation. We develop and distribute/retail healthy foods and beverages. We are a rapid-growth disrupting food company with an award-winning brand and products. With a consistently high number of active projects we work across a broad variety of categories such as confectionery, snacking, condiments, baby foods, raw herbal infused honeys, hot and cold beverages, bakery, fresh produce and many more. Ours is a small team passionate about healthy and natural foods. Through our consumer education programme, eating well to live well, we want to help people to choose healthy foods, live healthier lives, as we engage with the food industry and other stakeholders to develop and supply foods that could deliver real health benefits and have a real impact on consumers' health. We are an

Essential  
skills,  
experience  
and  
qualifications

There are no specific entry requirements to become a packer, but it is advisable for candidates to at least have obtained a general school leaving certificate or technical qualifications at an equivalent level.

Due to production requirements, packers acquire the skills and knowledge required to carry out the work through on-the-job training, which may take the form of a period of mentoring or shadowing by a more experienced worker.
